Dear Dr. Johnson:

Thank you for taking the time to write me. I have heard from many Americans interested in science and technology, and I appreciate your perspective.

I am committed to making my Administration the most open and transparent in history, and part of delivering on that promise is hearing from people like you. I take seriously your opinions, and respect your point of view on this issue.

My Administration is working to ensure that the United States remains a leader in science and technology for future generations. For more information, I encourage you to visit: www.WhiteHouse.gov/issues/technology. Thank you again for writing.

Sincerely,
