Resurrection's Importance 1 Cor 15:14-20

Can the Evidence for the Resurrection of Jesus Christ Persuade Skeptics? Disciples doubted until they saw evidence. Many have tried to prove resurrection is false, but became convinced by the evidence.

English journalist Frank Morison wrote "Who Moved the Stone?"

Former atheist C. S. Lewis was converted (kicking & struggling) on the basis of the evidence

Josh McDowell believed that every Christian had two minds: one was lost while the other was out looking for it.

Lee Strobel, Chuck Colson, & hundred of others convinced by the evidence

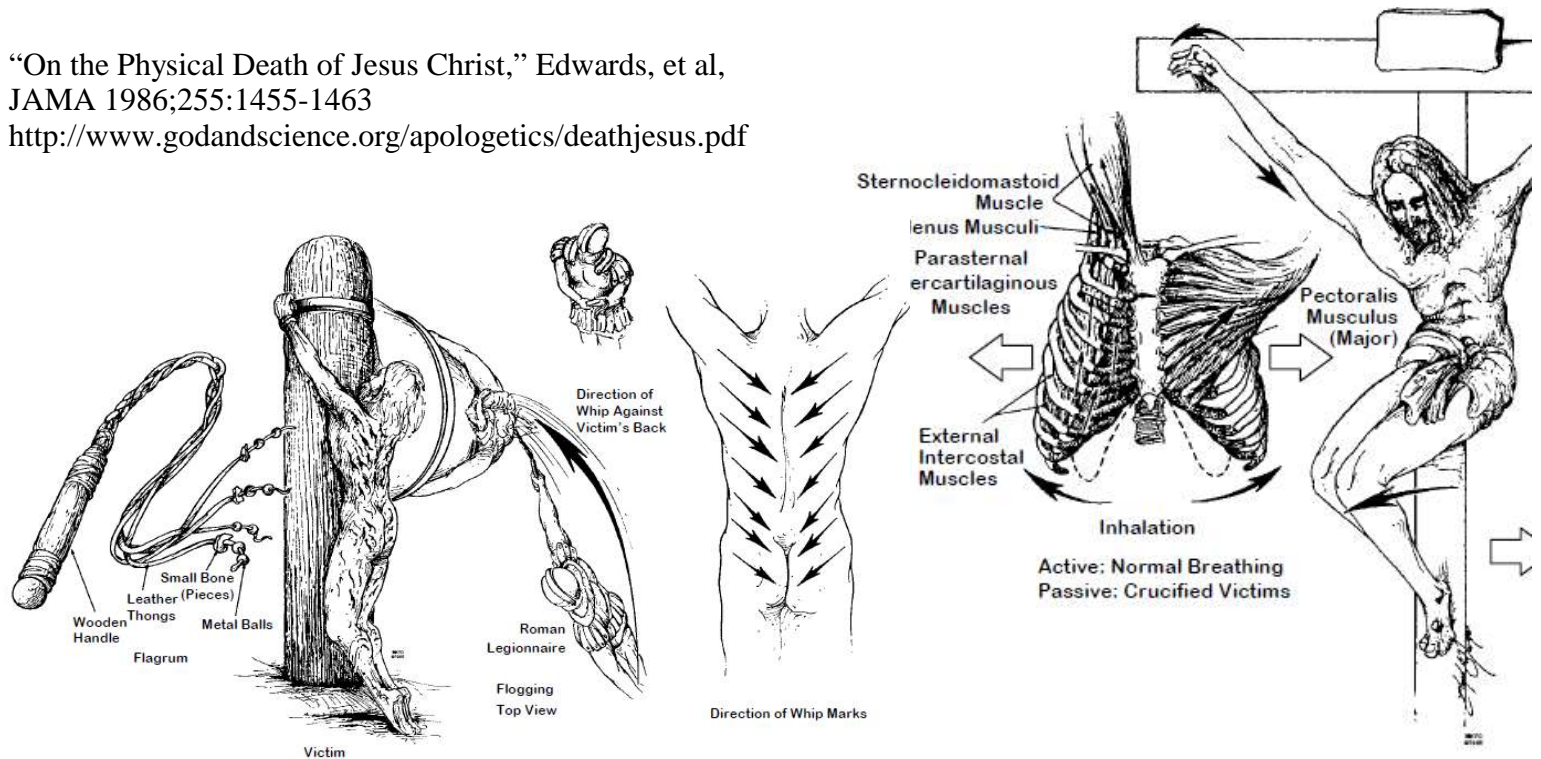

Jesus is not a liar or lunatic, but is Lord!

John 11:25 Jesus said to her (Martha), "I am the resurrection and the life. The one who believes in me will live, even though they die; 26 and whoever lives by believing in me will never die.

John 3:16 For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

The 1978 findings support the idea that the image on the Shroud was made by a sudden blast of high-energy radiation.
